Mr. Effa Manley
71 Crawford Street
Newark, New Jersey

Dear Mr. Manley:

I have been reading, with extreme interest, the advance notices in the local newspapers of your opening game this Saturday against the Cubans.

I was wondering whether it was your intention that I work the games as your Announcer. I received no answer to my letter accepting your offer, and that prompted my writing again due to the proximity of your opening date.

I trust that I will hear from you at your earliest convenience.

Very truly yours,

Joseph Angelillo
